Adopting Business Central Releases

Adoption of New Features & Functionality

Adoption to changes in technology is a roadblock that many organizations face. Adoption strategy is a process many organizations don't know or fully understand. Work with your technology partner on a realistic adoption strategy & consider these guidelines:

- Review Microsoft Release Videos >>
- Identify a Champion for New Release Functionality
- Deploy New Releases in a Sandbox Environment
- Leverage a Testing Strategy to Identify Benefits of New Features & Functionality
- Schedule Installation in Your Production Environment
- Celebrate the New Release!
